

## ◆ FUN & JOY

The members' stories, *My Trip in America* last October were most enjoyable. In November everyone liked the favorite film *Casablanca*, shown by Miki-san. Christmas was gorgeous. The Christmas tree Matsui-san brought was bright. Sumiya-san played *Ave Verum Corpus* on flute beautifully Yamauchi Naomi-san's leadership and Tokutaka-san's piano invigorated the chorus that all took part. And everyone enjoyed the delightful cake Tokutaka-san served. M. C. Ken was as usual such a fun & Joy.
