

◆ CRAFT for GIFT & DIALOGUE

“Simple and beautiful object that we use every day, and both gentlemen and ladies would enjoy creating it, and we become happy when presented with it;” this is the conclusion of our discussion on choosing the object of craft. So, we will discuss and choose the concrete object on the first meeting 4/24..

Our leaders are experts who help the beginners kindly, both in

After the disaster 3-11 we made gifts of support and send them with prayer to the Himawari Children's Workshop in Kesenuma, tsunami area. Ms. ITOH Junko, the leader, distributed them among the children. An individual member keeps supporting them by ordering the “support cookies” every month to offer for tea in various group meetings.

If you would like to join our CRAFT meeting, we are always happy to welcome you. Please apply at the Lunch-time Lecture, as we prepare the materials for you.
