◆ CRAFT & DIALOGUE

Please apply for this event at the Lunch-time Lecture Meeting each month.

We enjoy conversation over tea and refreshments, while creating various objects. Our leaders are experts who help the beginners kindly.

Last year we jointly made a pair of table mats and gave them to our friends from the Philippines, as our “thank you and good-bye” gift when they returned home.

The rabbit-designed pin cushion made by the Mora, a traditional method of Panama, are being appreciated in many homes far away from Panama, as it is the year of rabbit this year.

The Christmas decoration was made by a special method without using needles, and the same method became popular in various seasonal applications.

If you would like to move either hands or mouth, even if mouth alone, do come along, you will meet our warm welcome!
